PLEASE SPONSOR ME

THE BIG WATER WALK

Every day, 292 million people around the world walk more than 30 minutes just to collect water. This Lent, I'll be walking in solidarity with them by taking part in The BIG Water Walk as part of Caritas Australia's Project Compassion.

Will you sponsor me and help create a future where everyone has access to clean, safe water?

Patricia is a 14-year-old girl living in a remote village on the island of Malaita in Solomon Islands. Before clean water was available in her community, she spent up to two hours a day walking to collect water in a dangerous and hilly rainforest, often leaving her too tired for homework and schooling.

Thanks to the support of Caritas Australia's partners, water taps have been installed outside her family's house and Patricia's life has become easier. She now has more time to help her family, play with friends, and support her younger siblings. Although her schooling has been interrupted, she plans to return and continue her education in 2027 with the hope of one day becoming a teacher, like her father.

By sponsoring my BIG Water Walk fundraiser, you're helping to ensure that more young people like Patricia can access clean water, stay healthy, and continue their education.
