

Loving God,

As we come together to share a meal, we thank you for the food we are about to eat. We praise you for the gift of our earth which provides us with healthy food, and we give thanks for those who work to make it possible.

Bless this food as it fills us, and help us to remember how lucky we are; as we remember our brothers and sisters around the world who suffer from hunger each day.

We pray that we can work together to make sure everyone in our global family has enough food to eat.

We ask this in Jesus' name,

Amen
